Hi Jeff.

It's good to hear you are back. Honestly not much has happened since you left in May that I have been aware of. I think Tim would be your best resource on the Village utility agreements, etc.

We did send a letter to the chairman regarding the expiring IA that contains funding for the HAMP. We will be closing out the IA once it expires. However we encourage the Tribe, utility and villages to work with IHS to develop proposals for funding in the next cycle starting this fall. Let me know if you have questions. Thanks,

Emmanuelle

Emmanuelle,

Jeff Mansfield here, I was wondering if you could update me a bit on the status of the HAMP? I have been on leave on a personal matter since the May 25th, 2017 and I am reporting back to the FMCV office on June 19th, 2017.

I have made contact with Tim Bodell and he has briefed me on what role FMCV has played, or has not played, thus far and I am interested in re-engaging FMCV with the HAMP. Thanks
